

CHASE FALONK

100 GT MASTER CAPTAIN

PROFILE

Experienced and safety focused Yacht Captain with over 35 years of maritime experience operating a variety of vessels from skiffs to 116' Yachts. Proven track record in crew/employee leadership, vessel maintenance, route planning & client relations. Growing up on a 45' Sail Boat traveling through Central America I became adept at navigating coastal and offshore waters in all weather conditions. Committed to maritime safety, customer service and environmental stewardship.

SKILLS

As a Captain of both boats & planes I take pride in providing a safe and comfortable experience for my clients on the water & on shore. I manage all aspects of a voyage including provisioning, vessel & machinery preparation, route planning, dockage & dining reservations & customs documentation. I manage all aspects of the vessel including monthly inspections of systems & machinery to ensure safe working order, coordinating with cleaning, repair & maintenance services.
